Our Mission:

To support people with Autism Spectrum Disorders, their families, professionals, and others, by sharing information, supporting research, providing networking opportunities and promoting awareness through education and training.

It's that time of year! Step up and step out at the Autism Ball!

Once again, the beautiful Wisconsin Club in downtown Milwaukee will be the setting for our elegant annual fundraiser. Mark your calendar now for Saturday, March 27th. The evening features fine dining, great music, an extensive silent auction and more.

This is one of our major fundraisers, providing many of the dollars to continue our organization's mission of support, information, and awareness about autism spectrum disorders.

We couldn't do it without the enthusiastic support of members, volunteers, the Board, the staff, donors, sponsors... and if you aren't already, we'd love for you to get involved, too!

See page 3 inside for ways you can help...

Join us for exciting and free basketball action

Love basketball? Looking for a mid-winter family outing? Join us as the University of Wisconsin-Milwaukee Lady Panthers Basketball team take on the Butler Bulldogs. The game starts at 2:00pm on Saturday, January 30th at the Klotsche Center, 3409 N. Downer Avenue on the UWM campus. The group will meet at the box office one-half hour before the game.

Admission for ASSEW members is free! Email info@asew.org or call the office to register: (414) 427-9345 by January 22nd. Pre-registration is required for an accurate ticket count. For registration we need the names and a phone number for the people attending.
