*Reflexionar*

*My child has Autism and there is a community that supports me*

The Autism Society of Southeastern Wisconsin invites you to join a group for Spanish speaking families. Parents Circle is a support group, a space for reflection and understanding where parents with children diagnosed with Autism Spectrum Disorder (ASD), can connect with other parents to develop skills and learn about resources that can help the family.

If you have questions or would like more information, you can contact Daysi Jimenez at 414-988-1271 or via email at [daysi@assew.org](mailto:daysi@assew.org).

El Autismo es parte de este mundo, no un mundo aparte

### **Circulo de Padres**

### **Autism Society of Southeastern Wisconsin**

We support people with autism spectrum disorders, their families, professionals, and others, by sharing information, supporting research, providing networking opportunities and promoting awareness through education and training.
