*Community Volunteer*

November 2018

Dear Community Partner,

Tax ID: 39-1708201

The Autism Society of Southeastern Wisconsin's annual Autism Gala is on Saturday, April 6, 2019, at the Pfister Hotel in Milwaukee. Donations for our silent auction, table sponsorships, and monetary gifts are needed to help us host a successful event. Proceeds from this event will provide vital programming, education, and support services for the families we serve in Southeastern Wisconsin. We are excited to showcase some of the many programs we provide in the summer months at this year's Gala.

Autism Spectrum Disorders (ASD) are becoming more prevalent with 1 in 59 children in our community living with an ASD according to newly published Center for Disease Control (CDC) information.

At the Autism Society of Southeastern Wisconsin, our mission is to improve the lives of all that are affected by autism. We are the largest affiliate in Wisconsin and serve over 38% of the state's population. Please help us continue to meet the demands in our community by supporting our 2019 Gala.

All money we raise stays here to benefit our community. Show your support by making a donation today!

Sincerely,

Emily Levine

Executive Director
