Dear Community Partner,

The Autism Society of Southeastern Wisconsin’s annual SuperStars Art Camp is June 15-19th and June 22-26th 2020, at St. Marcus School in Milwaukee. Donations for our silent auction, and monetary gifts are needed to help us offer this camp for children and teens at a greatly reduced rate.

Autism Spectrum Disorders (ASD) are becoming more prevalent with 1 in 59 children in our community living with an ASD according to published Center for Disease Control (CDC) information.

At the Autism Society of Southeastern Wisconsin, our mission is to improve the lives of all that are affected by autism. We serve over 38% of the state's population. Please help us continue to meet the demands in our community by supporting our 2020 Camp for SuperStar kids!

All money we raise stays here to benefit our community.

Sincerely,

Emily Levine
Executive Director
