Being a teenager can be tough. We are here to offer programs to help make the most of their formidable years.

The Autism Society of Southeastern Wisconsin strives to help teens learn about the many changes that they have going on, how to meet their ever-changing needs and become more socially aware of others.

By providing a forum to help make friends and form long term relationships, we take some of the tough out of being a teen in these transition years.

The Amazing Lemonade Girl
Meet Alex Scott. She has a story to tell – about her life and her legacy, her humor and her heart. The story of a young girl fiercely determined to make a difference despite the challenges she faces. Alex’s true story reminds us all that a single person can change the world – one act, or even one cup, at a time.

Teen Group
Are you worried about your teen spending too much time in his/her bedroom with only video game characters for companionship this summer? We can help! The Autism Society of SE WI is offering two four-session recreational programs for teens ages 13-17 who are on the Autism spectrum this summer.

Don't miss this opportunity to make new friends, share experiences and socialize with other teens! Teen Group is targeted for individuals who are willing to try new things, want to participate in group activities, and will stay with the group. Each session is limited to fifteen teens. The individuals participating in the group need to be able to stay with a group of up to fifteen students with two adults.

Where: Greenfield Park - 2028 S. 124th St. West Allis
When: Session One: June 25, 30 & July 7, 14 | 6:30 – 8 p.m.
Session Two: August 4, 11, 18, 25 | 6:30 – 8 p.m.
